A GUIDE TO DIGITAL LITERACY BY ZAARA PARWEEN

# EMPOWERING YOUR DIGITAL JOURNEY

## What is Digital Literacy?

**Definition:** It's more than just typing! It is the ability to find, evaluate, and communicate information through various digital platforms.

**Key Pillar:** Critical thinking in a digital world.

**Visual Idea:** Use an icon of a magnifying glass over a laptop.

## Safe Internet Practices

**The Golden Rules:**

- Enable 2FA: Add an extra layer of security to all accounts.
- Think Before You Click: Verify links in "urgent" emails.
- Privacy Check: Regularly audit your social media privacy settings.

**Visual Idea:** Use a shield icon or a green lock icon.

## Email Etiquette (Inbox Pro)

**Do's:**

- Use a clear, descriptive Subject Line.
- Start with a professional greeting (e.g., "Dear Professor...").
- Proofread for tone and typos.

**Don'ts:**

- Don't use "Text Speak" (u, r, lol).
- Don't forget the attachment if you mentioned one!

**Visual Idea:** Use a "Sent" paper plane icon or a clean envelope.
